Another treat: ask Joe to show you his beveled door collection. It's something extra special. Takes a bit more work, but it's worth the time and effort for the beauty that ensues. Iron work, custom designing in a variety of media . . . Joe's Glass Shack is there to teach you, to provide you with supplies . . . and inspiration.

The latest artistic adventure is

that of fusing . . . fusing mosaic has artist interest at an all time high. Artists are making jewelry, pendants, platters, plaques. And Joe's Glass Shack has a computerized kiln so you have absolute temperature control with state of the art equipment. What's more, Joe's Glass Shack has just taken in a huge shipment of 21,000 square feet of glass in 2 x 4 foot sheets. There are over 40 colors from which to choose . . . over 30 color panels on display just in the window alone.
