More on PPH and Beyond

Kudos on your excellent editorial in today's (12/20/07 - Mr. Mike's *Traveling Miracle Medicine Show*) issue. I hope you will follow up with a report and keep the public informed of the millions of dollars of operational and maintenance costs of both the Sprinter and the usually empty Breeze buses traveling our North County city streets. It's too late to save the half billion dollars but maybe reality will lead to better stewardship of public funds.

Thank you for your interest and efforts.
