**Theodore Roosevelt's ideas on Immigrants and being an AMERICAN in 1907.**

*"In the first place, we should insist that if the immigrant who comes here in good faith becomes an American and assimilates himself to us, he shall be treated on an exact equality with everyone else, for it is an outrage to discriminate against any such man because of creed, or birthplace, or origin.*

*But this is predicated upon the person's becoming in every facet an American and nothing but an American ... There can be no divided allegiance here. Any man who says he is an American, but something else also, isn't an American at all. We have*

*room for but one flag, the American flag ... We have room for but one language here, and that is the English language ... and we have room for but one sole loyalty and that is a loyalty to the American people.'*

**Know What? You could own this space. It'd be all yours. And over 25,000 readers each week would be able to read about what a nice person you are, and what a nice business you have. It'd be a nice little investment.**

## Attention Seniors!

It happens that we have a need for people who like people, and who are comfortable working from their own homes, talking to other people about the benefits of advertising with the Classified Ad section of the **The Paper**. Our paper is delivered to Rancho Bernardo, Escondido, San Marcos, Lake San Marcos, San Elijo Hills, Vista, Carlsbad, Oceanside and Camp Pendleton. Folks selected must have their own telephone, their own computer, email account, and fax machine. You would work from your own home, calling area businesses and residents who should be advertising in **The Paper's** Classified Ad Section. If you fit that description, give us a call. **And, no, you don't have to be a senior citizen.** But we sure do like seniors.

We have over 500 businesses that carry copies of **The Paper** for our readers to pick up free and to read, and nearly 27,500 papers delivered every Thursday. You'll make good money for just a few hours on the phone every day.

Call us. We'll talk. Maybe have a cup of tea.
