DR SEUSS: Did the chicken cross the road? Did he cross it with a toad? Yes, the chicken crossed the road, but why it crossed I've not been told.

ERNEST HEMINGWAY: To die in the rain, alone.

GRANDPA: In my day we didn't ask why the chicken crossed the road. Somebody told us the chicken crossed the road, and that was good enough.

BARBARA WALTERS: Isn't that interesting? In a few moments, we will be listening to the chicken tell, for the first time, the heart warming story of how it experienced a serious case of molting, and went on to accomplish its lifelong dream of crossing the road.

ARISTOTLE: It is the nature of chickens to cross the road.

JOHN LENNON: Imagine all the chickens in the world crossing roads together, in peace.

BILL GATES: I have just released eChicken2008, which will not only cross roads, but will lay eggs, file your important documents, and balance your checkbook. Internet Explorer is an integral part of eChicken2008. This new platform is much more stable and will never crash... #@&^*(C%.....reboot.

NANCY GRACE: That chicken crossed the road because he's guilty! You can see it in his eyes and the way he walks.
