two things long ago . . . if you're going to drive, you have to have a license. You also have to have insurance. It's really that simple. Driving is a privilege, not a right."

The only candidate who did not appear at the TERC meeting was Dennis French.

Mayor Pro Tem Sam Abed and Ed Gallo are generally recognized as being active forces in curtailing the problems associated with illegal immigrants in Escondido. Indeed, Abed points out, he is an immigrant . . . but he immigrated legally. Both Gallo and Abed said they have zero problems with legal immigrants of any nationality . . . they do have a problem with illegal immigrants and will continue to seek a solution.

Trade Tech Sees Smaller Number of Students

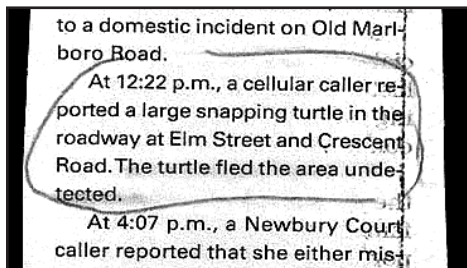

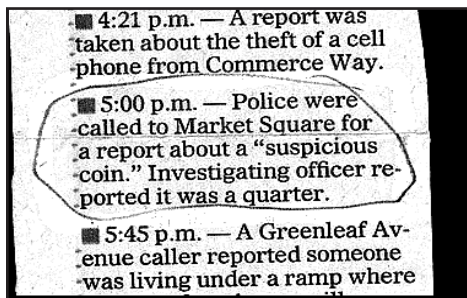

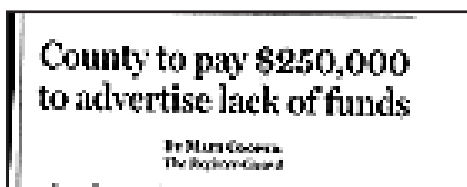

Officials say North County Trade Tech High is off to an excellent beginning even though the student turnout is less than expected or desired. Only 40 students have signed up where they had anticipated nearly 100 at the construction themed charter school in Vista.

Still, Principal Rob Atterbury said he hopes to have the full 100 students by the end of the year as he continues to recruit and enroll new freshmen.

Utah Poison Control Center reminds everyone not to take poison

"Children Act Fast, So Do Poisons" is the theme for National Poison Prevention Week, arch 20 - 26. The Utah Poison Control Center (UPCC) would like to take the opportunity to remind parents and caregivers that poisonings can be prevented. In 2004, the Utah Poison Control Center responded to over 60,000 calls, the majority of which were about actual potential poisonings. Over 80 percent of the potential poisoning exposures involved children under age 6. The top five substances that children in-
giving or taking medicine. Check the dosage each use.
• Avoid taking medicine in front of children.
• Never refer to medicine as candy.
• Clean your medicine cabinet periodically, safely disposing of unneeded and outdated medicines.
The UPCC, part of the College of Pharmacy, has an active community outreach program. In 2004, representatives of the Utah Poison Control Center provided 126 community presentations and distributed more than 40,000 poison prevention education materi-
