anything smaller and none will actually admit they want change back.

When the girls get their bill, out come the pocket calculators.

MONEY

A man will pay \$2 for a \$1 item he needs.

A woman will pay \$1 for a \$2 item that she doesn't need but it's on sale.

BATHROOMS

A man has six items in his bathroom: toothbrush and toothpaste, shaving cream, razor, a bar of soap, and a towel.

The average number of items in the typical woman's bathroom is 337. A man would not be able to identify more than 20 of these items.

ARGUMENTS

A woman has the last word in any argument.

Anything a man says after that is the beginning of a new argument.

FUTURE

A woman worries about the future until she gets a husband.

A man never worries about the

future until he gets a wife.

SUCCESS

A successful man is one who makes more money than his wife can spend.

A successful woman is one who can find such a man.

MARRIAGE

A woman marries a man expecting he will change, but he doesn't.

A man marries a woman expecting that she won't change, but she does.

DRESSING UP

A woman will dress up to go shopping, water the plants, empty the trash, answer the phone, read a book, and get the mail.

A man will dress up for weddings and funerals.

NATURAL

Men wake up as good-looking as they went to bed.

Women somehow deteriorate during the night.

Write, email, call your legislators. Let them know of your outrage at the restrictions that deny governmental agencies the right to determine the legal status of recipients of taxpayer funded services; at the lack of enforcement of existing laws, at the lack of firm resolve on the part of our legislators to do their job and represent not only the will but the rights of the American citizen and all other LEGAL residents.

About the Author:

Before too many people assume that bly e davis is anti Latino . . . understand from my opening paragraph . . . I welcome with open arms those LEGAL immigrants. It's only illegal immigrants I reject.

I have long worked to help less fortunate residents of our community, with particular emphasis on Latinos. Proof of that is in the following awards and recognitions:

Founder, North County Youth Soccer Association, NCYSA

Founder: Los Caballeros de Aventura (The Gentlemen of Adventure)

a. A joint award from the B'abai organization, together with the Martin Luther King "I Have a Dream" foundation, 1999.

b. Escondido City Council Award for Service to Youth, 1998

c. Award from the late Senator Wm. Cravens, State of California.

d. Award from Congressman Randy "Duke" Cunningham (yes, that Congressman).

e. KGTU Channel 10 Leadership Aard for Los Caballeros.

Numerous other awards, mostly in connection with Los Caballeros de Aventura, an organization designed to divert Latino kids away from "Los Pandillas" (the gangs). It was very successful.

We have become close friends with many Latino families as a result of Los Caballeros. Still, I, and most all Latino families I know, recognize the absolute need for this nation to control its borders, to require only legal immigrants to come to this country and to

ensure that illegals are deported.

Now.

You, and only you, can put enough pressure on legislators to make this happen.
