### Tango First Century

This Saturday, May 9th, at 8:00 p.m. at the California Center for the Arts, Escondido, the sensuality of tango comes alive as this Quebec-based troupe explores the evolution of this mesmerizing art form. ## 'Chuckles' Cont. from Page 13

Regis Philbin

'You know, the French remind me a little bit of an aging actress of the 1940s who was still trying to dine out on her looks but doesn't have the face for it.'

John McCain, U.S. Senator from Arizona

'The last time the French asked for 'more proof' it came marching into Paris under a German flag.'

David Letterman

'Only thing worse than a Frenchman, is a Frenchman who lives in Canada ..'

Ted Nugent

'War without France would be like .. World War II.'

Unknown

'The favorite bumper sticker in Washington D.C. right now is one that says 'First Iraq, then France ..'

Tom Brokaw

'What do you expect from a culture and a nation that exerted more of its national will fighting against Disney World and Big Macs, than the Nazis?'

Dennis Miller

'It is important to remember that the French have always been there when they needed us.'

Alan Kent

'They've taken their own precautions against al-Qa'ida. To prepare for an attack, each Frenchman is urged to keep duct tape, a white flag, and a three-day supply of mistresses in the house.'

Argus Hamilton

'Somebody was telling me about the French Army rifle that was being advertised on eBay the other day --the description was, 'Never shot. Dropped once.'  
Rep. Roy Blunt, MO

'The French will only agree to go to war when we've proven we've found truffles in Iraq'

Dennis Miller

Q. What did the mayor of Paris say to the German Army as they entered the city in WWII?  
A. Table for 100,000 m'sieur?

'Do you know how many Frenchmen it takes to defend Paris? It's not known, it's never been tried.'

Rep. R. Blount, MO

'Do you know it only took Germany three days to conquer France in WWII? And that's because it was raining.'

John Xereas, Manager, DC Improv

The AP and UPI reported that the French Government announced after the London bombings that it has raised its terror alert level from Run to Hide. The only two higher levels in France are Surrender and Collaborate. The rise in the alert level was precipitated by a recent fire which destroyed France's white flag factory, effectively disabling their military.

French Ban Fireworks at Euro Disney (AP), Paris, March 5, 2003. The French Government announced today that it is imposing a ban on the use of fireworks at Euro Disney. The decision comes the day after a nightly fireworks display at the park, located just 30 miles outside of Paris, caused the soldiers at a nearby French Army garrison to surrender to a group of Czech tourists.
