Where the Pride Shows!

You don't need to go to Europe for the fine, hand crafted, professional manufacture of the finer things in life. You can find it right here, in North San Diego . . . at Escondido Mattress Factory, 1281 Simpson Way, Escondido.

Randy Taylor is a Master Craftsman. He builds the finest mattresses available . . . he'll build custom mattresses . . . for antique beds . . . or for standard size beds. He's seen it all . . . he's done it all . . . he refuses to go the mass mattress manufacture route. They only build one sided mattresses. He lovingly builds you double sided mattress, ensuring you, and your family, of sweet dreams for years.

This 80 year old master craftsman has been serving his customers for over 50 years.

Randy builds several mattresses a day. He has to in order to keep up with demand. He also has a beautiful, large, showroom - all the better to show you the variety of mattresses he offers.

He moved to Escondido in 1954 . . . and has earned the respect and continued loyalty of his customers. They know his quality is top notch and enjoy doing business with a nice, honorable, caring man. Whether it's a mattress for a crib, a standard size, or antique, he's up to the task.

"My customers keep coming back," he says. "We've made and sold mattresses to the children of some of our customers. They know we care . . . and they know quality when they see it. Or sleep on it."

Big enough to serve you, small enough to care . . .

To meet and talk to a Master Craftsman, come in and meet, or call, Randy Taylor, owner, Escondido Mattress Company, Escondido
