the U.S. and is rapidly growing.

My wife grew up in North Dakota. Her grandmother bought 120 acres near Williston in 1910, for its coal outcroppings. The heirs still own the property. I have been administering the 120 acres since 1977. While we sold some oil leases over the years, we did not expect to live long enough to collect any oil revenue, but we started doing so this year. It is not making anyone rich, but it is interesting.

Horizontal oil drilling technology has made drilling practical.

As a result of the oil boom in North Dakota, the state has the lowest unemployment rate in the country and real estate prices have increased.

In the first place, we should insist that if the immigrant who comes here in good faith becomes an American and assimilates himself to us, he shall be treated on an exact equality with everyone else, for it is an outrage to discriminate against any such man because of creed, or birthplace, or origin.

But this is predicated upon the person's becoming in every facet an American and nothing but an American ... There can be no divided allegiance here. Any man who says he is an American, but something else also, isn't an American at all. We have room for but one flag, the American flag ... We have room for but one language here, and that is the English language ... and we have room for but one sole loyalty and that is a loyalty to the American people.'

Hogue was hired in 2006 to teach physical education and health, as well as coach boys varsity basketball at Oceanside High, school officials said. He spent two years before that at Orange Glen High School in Escondido.

He also co-founded Kings Court Basketball and Training, which offers individualized coaching.

Oceanside Man Arrested, Charged with Assaulting Family and Neighbor

A 42-year-old man, Robert Michael Cox, of La Quinta, is in custody after he was arrested Saturday on charges of beating his wife, teenage children, and a neighbor.

Police responded about 6 p.m. Saturday. There were told an estranged husband had returned home, made threats and beat this two teenage children and wife. A neighbor, who sought to intervene, was assaulted as well. None of the victims suffered serious injuries. Police arrested the man and booked into Vista jail on suspicion of battery, assault with a deadly weapon, terrorist threats and vandalism. His bail is \$1 million.

MEN WANTED FOR HAZARDOUS JOURNEY. LOW WAGES, BITTER COLD, LONG HOURS OF COMPLETE DARKNESS. SAFE RETURN DOUBTFUL. HONOUR AND RECOGNITION IN EVENT OF SUCCESS.
