Call 760.747.7119Connecting North
County to Sacramento

By Senator Mark Wyland

Currently I'm working to bridge the divide between what the people of North County want from their government and what Sacramento is (not) giving them. I fear that too often your voices get lost somewhere along the way, ultimately inhibiting my ability to represent you.

I asked business owners out there to contact me with your stories about the harsh regulations imposed on you. Since then I've been flooded with personal stories about this issue and more. I've sat down and read every story and hope you

will continue contacting me so I can send your messages to Sacramento.

I'm fighting to ensure that your taxpayer dollars that are currently being poured into things like an empty mass transit systems (while we're currently driving on crummy, crowded roads) are instead being spent on your real concerns. That's what I'm trying to do for North County and the entire state, and I'd be honored to have your help.

Senator Mark Wyland represents the people of the 38th Senate District, which includes cities in north San Diego County and the south Orange County cities of San Juan Capistrano.

In 2010, California Must Put
Jobs FirstBy Assembly Republican Leader-Elect
Martin Garrick

California is experiencing a jobs crisis. Last week, the U.S. Labor Department reported that our state had the nation's biggest job losses, with a net decline of 38,800 positions. Now more than 2.2 million Californians – or 12.4 percent of our workforce – are unemployed, which is one of the highest rates since World War II.

With another \$20 billion budget deficit looming over our state and no economic recovery in sight, lawmakers must start putting California jobs first. Jobs are the lifeblood of our economy and the best hope of restoring prosperity.

Now more than ever before, the

Legislature must re-examine burdensome regulations and taxes that have caused thousands of Californians to seek greener pastures elsewhere. We must not pass legislation that will make the problem worse and put us at a greater disadvantage in the global marketplace where economies like China grew almost 9% last year.

2010 must be the year of California's economic recovery. We must lift the burdens on small businesses and other job creators and harness our existing strengths, such as our talented workforce. As the incoming Assembly Republican Leader, I am ready to work with my colleagues to help bring California back.

Assemblyman Martin Garrick for the 74th District, serves the communities of Carlsbad, Del Mar, Solana Beach, Encinitas, Rancho Santa Fe, San Marcos, Vista, and portions of San Diego, Escondido and Oceanside.

assist the Wounded Warrior Project and to honor our troops.

"Service projects, like this one, are a way for us to be involved in our community. An important part of being a Boy Scout is doing a "Good Turn" to help others," said 13-year-old Patrol Leader, Aurven Murrell.

Troop 709 meets at the Vista United Methodist Church in Vista, CA, and for 25 years has been a part of the San Diego-

Imperial Council and its predecessor, the Desert Pacific Council, of the Boy Scouts of America. For more information, please contact Troop 709 Scoutmaster, Mr. Lance Fisher, at 760-758-6384.

Health & Fitness Seminar
to Raise Funds for
Ivey Ranch Park Able and
Disabled Children

'How to Make 2010 Your Best Year Ever,' will be the theme of a community awareness and fundraising event for the Ivey

Ranch Park Association. The event, to be held at the Oceanside Public Library Community Room, 330 N. Coast Hwy, Oceanside, will begin at 6pm on February 9th.

Two leading Oceanside Health, Fitness and Personal Care Professionals will deliver the seminar. The purpose of this event is to kick-off 2010 by teaching Oceanside and surrounding residents a proven strategy for achieving their New Year's Resolutions of health and fitness, and raising money for a great charity.

Coach Berry is a certified fitness and nutrition professional with over 30 years experience in the North San Diego County area. "Most people set health and fitness goals for the New Year, and start off with full momentum, but burn out quickly and never reach their goals. At this seminar, we will reveal how anyone with the desire can make 2010 the year their weight loss and fitness goals are finally achieved," says Coach Berry. "The line-up of health, fitness and personal care experts I've assembled is formidable. We're all very confident we can have a real impact on the health of our community – and raise money for a worthy cause at the same time. We intentionally chose the name of the event because of its implicit promise. Oceanside residents have supported our businesses over the years, and now we want to give back by showing them how to really make 2010 their best year yet," explains Coach Berry.

Coach Berry CEO of Dare to be Fit, Dr. Wayne Scheller of Chiropractic 1st, and two massage therapist's will also be in attendance to share tips and information on their programs for the New Year.

All North County residents over 15 years of age are invited. There is no cost to attend other than a small, tax-deductible \$20 donation to Ivey Ranch Park for Able and Disabled Children, at the door.

Over \$3,000 in Prizes will be given away at this event. Additional information about the event and registration is available by contacting Coach Berry's Studio at 760-522-1805 or 760-967-6747 www.rb-berry.com.
