

Senator Mark Wyland

State Senator Presiding, Serving the 38th District of California

CALIFORNIA

## The Road to Real Reform

By Senator Mark Wyland (R-Carlsbad)

Last week, the Select Committee on Improving State Government presented a budget package by California Forward. While I appreciate the genuine effort of this group, the measures fall short of the structural transformation necessary to move California in the right direction.

You've heard me say it before and I'll say it again: this Legislature is operating in a bill factory. Instead of continuing to drown in the mounds of paper that is Sacramento, we must start conducting thorough performance audits of government programs, demanding accountability for tax-

payer dollars and increasing oversight.

That's why I've introduced Senate Constitutional Amendment 2 and Senate Constitutional Amendment 28, which, respectively, would require that the Legislature focus on nothing but the budget and oversight for an entire year and require the State Auditor to conduct a performance evaluation of every state government program and expenditure. I believe increasing time and oversight are the key ingredients to repairing our broken budget system for good.

*Senator Mark Wyland represents the people of the 38th Senate District, which includes cities in north San Diego County and the south Orange County cities of San Juan Capistrano.*

## Clock is Ticking for Action on Budget and Jobs Crises

By Martin Garrick, Assembly Republican Leader

Two crises face California - a looming \$20.7 billion dollar state budget deficit and a 12.5 percent unemployment rate. It's absolutely critical that we bring jobs back to California if we are to get people back to work, and bridge the budget gap.

That is why this week Assembly Republicans introduced a 17 bill jobs package. It promotes job creation, sunsets unnecessary regulations, and stops junk lawsuits. You can read our plan at: [www.CAJobsFirst.com](http://www.CAJobsFirst.com)

Republicans also started a 100 day countdown to the end of the fiscal year when the budget is due. Every year, the budget needs to be signed by July 1st. But lawmakers delay decisions and blow past the deadline year after year.

We must start serious budget discussions now. Lawmakers need to end the tax and spend fever that dominates the annual budget debate.

The time for action to get our state's fiscal house in order and bring back jobs is now. Taxpayers should demand that lawmakers will work around the clock to pass a balanced budget and a comprehensive jobs package.

## San Diego Minutemen Calls for Immediate Deployment of National Guard to our Southern Border

*In a prepared statement, Jeff Schwilk, Founder and President of the San Diego Minutemen said:*

Due to the senseless murder of a life-long rancher in Arizona last Saturday by a suspected Mexican drug smuggler, and the growing violence all along our border with Mexico, the San Diego Minutemen are demanding the immediate redeployment of armed National Guard troops to our Southern Border in all four border states. We call on the Obama Administration and all four border Governors to take immediate action to secure our southern border from the armed and dangerous Mexican smugglers and cartel members who cross into America daily and threaten and kill our innocent citizens.

The execution of Rob Krentz, 58, on his large family ranch over 10 miles north of the border in Southeast Arizona highlights the growing drug war spilling over from Mexico. Border Patrol and local law enforcement have lost control of our border region along much of the 2000 mile border. Our border residents and ranchers are being terrorized daily by these armed and dangerous foreign insurgents and criminals.

*"Our border communities have been overrun with dangerous criminals from Mexico for many years now and its getting worse. All we ever get from Washington is lip service. How many*

*Americans must die before the politicians actually take action to protect our citizens?"* said Minuteman border activist Ken Lester of San Diego.

The U.S. Government pandering to Mexico and Mexican citizens with talk of free healthcare and amnesty for 20 million illegal trespassers stops today. Such promises have created a stampede into America of unknown foreign citizens with devastating results. Immediate action must be taken to regain control of our southern territory.

To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the will or estate or both, of DORIS ANNETTE JOHNSEN. **Petition for Probate** has been filed by Cary T. Johnsen in the Superior Court of California, County of San Diego, 325 S. MELROSE DR., VISTA, CA. 92081, NORTH COUNTY BRANCH. The Petition for Probate requests that Cary T. Johnsen be appointed as personal representative to administer the estate of the decedent.

The petition requests the decedent's will and codicils, if any, be admitted to probate. The will and any codicils are available for examination in the file kept by the court.

The petition requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed actions.) The independent administration authority will be granted unless an interested person files an objection to the petitions and shows good cause why the court should not grant the authority.

**Date: 04/30/2010 Time: 9:30 a.m. Dept: 4**  
Address of court: Same as noted above.

**If you object** to the granting of the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney.

**If you are a creditor or a contingent creditor of the decedent**, you must file your claim with the court and mail a copy to the personal representative appointed by the court within four months from the date of first issuance of letters as provided in Probate Code section 9100. The time for filing claims will not expire before four months from the hearing date noticed above.

**You may examine the file kept by the court.** If you are a person interested in the estate, you may file with the court a *Request for Special Notice* (form DE-154) of the filing of an inventory and appraisal of estate assets or of any petition or account as provided in Probate Code section 1250. A *Request for Special Notice* form is available from the court clerk.
