'Letters to the Editor' Cont. from Page 6

John F. Anderson
 San Marcos, CA

A Newbie

Recently moved from Fallbrook to San Marcos, have been reading your paper for about a year now, even submitted a letter once. Something happened at approximately 0300 hrs on 03-27-10 across the street from Bradley Park. Road was blocked off, over ten sheriff's vehicles, paramedics and ambulance were on the scene. When I asked a deputy while parked in Bradley Park lot, he refused to state the reason but I did see someone hugging a deputy, screaming and saying "why!?" Looked like a homicide to me, possibly gang related. Your readers especially in San Marcos might want to know about this incident. I sure would since I might have made the wrong move from Fallbrook to San Marcos. (Your assumptions are correct; please see our Local News where we describe the incident). Another thing you might want to post weekly are "blotters." I grew fond of the Fallbrook Bonsall Village news publishing weekly blot-

ters.

Thanks.

Letter to the Editor

Bill Flores, a retired assistant sheriff and member of El Grupo; and Tina Jillings, co-founder of the Vista-based Coalition for Justice, Peace and Dignity. **"Get Over It!"** The Chief's Job is to protect all of us. I also hope the police chief continues to do his job, and I also hope he and the Escondido Police Department really realizes who supports them. I'll bet it's over 85% of Escondido Residents. Thank you 'Chief Jim Maher, Thank you Escondido Police Department!

'Silvergate' Cont. from Page 3

warm and friendly atmosphere encourages residents to participate in activities and socialize with new friends.

A Staff Who Understands and Cares

Silvergate's friendly staff is caring and attentive to the needs of each individual resident.

Licensed assisted living services are available to support each resident's changing needs. If care is needed, one can receive care without changing their accommodations.

You'll notice that staff members know every resident by name and make that extra effort to provide each resident with personal attention and compassionate assistance. That's what residents of Silvergate call the "Silvergate Lifestyle."
